I saw three ships

I saw three ships that were sailing
The Day of Christmas, The Day of Christmas;
I saw three ships that were sailing
The Day of Christmas in the morning.

And what was there in those three...

The Virgin Mary and Christ were there...

Do tell, where were those three going...

O they were going to Bethlehem...

And all the bells in the world will ring...

And all the Angels in Heaven will sing...

And all the souls on earth will sing...

Let us all rejoice, a lot...
