I have lost my wife

I have lost my wife
Planting Cabbages
I have lost my wife
Fill up my glass
I have lost my wife
When planting cabbages
Planting cabbages

I have a good maid
Who serves me very well
I have a good maid
Fill up my glass
I have a good maid
Who serves me very well
Who serves me very well

She sweeps my bedroom
And makes my bed so well
She sweeps my bedroom
Fill my glass again
She sweeps my bedroom
And makes my bed so well
Makes my bed so well

She washes my clothes
And darns them very well
She washes my clothes
Fill my glass again
She washes my clothes
And darns them very well
And darns them very well

If you find my wife
You keep her for yourself
If you find my wife
Fill up my glass
If you find my wife
Keep her for yourself
Keep her for yourself
