

En Galilee i nou est dit

En Galilee i nou est dit,

Y'avait étou dè p'tits éfants,

Jesu-Christ d'meurait tout d'près,
garcaöns et filles du p'tit village.
Près d'leux (2) d'meure et mère chérie,

L'eux mères chérie vous pouvai creire!
garcaöns et filles du p'tit village.
Voulaient tant qui benisse les p'tits,

Mais les disciples ne voulaient pas,

Qu'les éfants vinrent à Jesu-Christ,

In Galilee we are told

In Galilee we are told
boys and girls of the little village
There were also little children
little, little, all little, all little.

Jesus Christ lived close by
boys and girls of the little village
Near to their house and their dear mother
little, little, all little, all little.

Their mothers dear you can believe!
boys and girls of the little village
Wanted so much that he blessed the little
children, *little, little, all little, all little.*

But the disciples did not want,
boys and girls of the little village
The children to Jesus Christ
little, little, all little, all little.

But Jesus said, let them come
boys and girls of the little village
And their mothers were all delighted
little, little, all little, all little.

Let it be known throughout the land
boys and girls of the little village
Christ blessed them even in his arms,
little, little, all little, all little.
